

# North LRT to NAIT Monthly Update

[www.edmonton.ca/nlrt](http://www.edmonton.ca/nlrt)

Issue #6 - August 2011

## Starting In August

The North LRT to NAIT construction is at the halfway mark into the season. With only a few months left until the end of the first construction season, you'll witness several different projects underway in the Kingsway/NAIT area. In early August, major construction on 105 Ave begins; and utility relocations and traffic lane relocation on 106 Street between 111 Avenue & Princess Elizabeth Avenue continues. The City's goal is to complete several construction activities during summer 2011.

### Roadworks – 105 Avenue Permanently Closed – 103 Street to 105 Street

Activity	Tunneling preparation, utility relocations and MacEwan LRT Station foundation construction.
Reason	LRT tunnel portal and MacEwan LRT Station will occupy sections of 105 Ave.
Impacts	105 Ave – permanently closed from 103 St to 105 St. No traffic movements. 105 Ave – full closure from 102 St to 103 St. No traffic movements until further notice. 105 Ave – periodic partial closures from 101 St to 102 St. North access to Square 104 apartments permanently closed. South access now open. Major roadworks, excavations and minor utility relocations.
Dates	Ongoing from early August

### Roadworks – 106 Street – 111 Ave to Princess Elizabeth Ave

Activity	City contractor is removing median, curbs and part of roadway and relocating various utilities.
Reason	North LRT will occupy east half of 106 Street.
Impacts	Periodic temporary partial closures of 106 Street: <ul style="list-style-type: none"> <li>• 106 St. reduced to single N/S lanes.</li> <li>• Location of lanes will fluctuate according to work schedule.</li> </ul> Utility relocations on 111 Ave-Princess Elizabeth Ave: <ul style="list-style-type: none"> <li>• Periodic temporary partial closures.</li> </ul>
Dates	June-October/2011

*All dates are approximate and subject to change due to weather/scheduling/etc.*

# North LRT to NAIT

105 St/110 Ave to Kingsway	Roadworks	Total closure. *No parking south of 110 Ave.	October 2011
NAIT SW Corner	Water relocation	Parking Restrictions	August 2011

### Recent Milestones

The North LRT project achieved several milestones in July, including:

- All 23 buildings removals complete.
- Access to Square 104 apartments relocated to 104 Ave/104 St-105 St.
- Power, water and/or gas utilities relocated:
  - 104 Street/105 Ave-106 Ave (south half)
  - 105 St/110 Ave intersection.
  - Royal Alex west parking lot
- Roadworks:
  - 105 St/110 Ave intersection

*North LRT construction activities will be conducted during normal business hours as consistently as possible. The City thanks residents, businesses, drivers and stakeholder groups for their patience.*
